

Cheap Sex, Psychopath

Trapped in a cell for years and years
These walls have eyes,
And these walls have ears.
It's a vicious game they try
To torture my mind.
I've been walking the tight rope
Forever in time.

[Chorus:]
Psycho - he's a psychopath
Revenge is all he can see
He's a psycho - a psychopath
A psycho - and revenge is all he can see!
