

Cheap Trick, 3-d

(Look at me)
I appear in the night
(Look at me)
I'm made up of lights
(Look at me)
I am really a sight
A sight to behold
To hold with your eyes
(Look at me)
I can move like you
(Look at me)
I can zoom in on you
(Look at me)
I can
(Look at me)
Ooh, the reds and greens
(Look at me)
All the colors so real
(Look at me)
I'll make you laugh, I'll make you scream
I'm mind, I'm matter on the video screen
3-D, the more you look
The more you'll see
3-D, the more you look
The closer I'll see you
I like what I see, I feel good about me
You'll like what you see, you'll like what you see
You'll like what you see, you'll like what you see
You'll like what you see, well, it's a 3-D
3-D, the more you look
The more you'll see
3-D, the more you look
The more you'll see
3-D, the more you look
The more you'll see
3-D, the closer you look
The closer I'll see you
