

Cheap Trick, Auf Wiedersehen

Au revoir, auf wiedersehen
You won't see another morning
You won't see another evening
Good night
Buenos noches o senor
Senorita see ya later
Buenos noches bye-bye
There are many here among us
You feel that life is a joke
And for you we sing this final song
For you there is no hope
Sayonara oh suicide hari kari
Kamikaze you won't
See another evening
Goodbye
Bye-bye so long, farewell
See you later....Suicide
Suicide
Suicide
Suicide
