Cheap Trick, Closer, The Ballad Of Burt And Lind

Every day is a darker day It's always gonna be that way One step closer to mine I know it's not respectable But it is the best of all One step closer Relax your mind It really dosn't matter if the Heavens is gonna rain or shine You're better of blind If the lover don't find Makes you one step closer to mine Closer One step closer One step closer Relax your mind It really dosn't matter if the Heavens is gonna rain or shine You're better of blind If the lover don't find Makes you one step closer to mine
