Cheap Trick, I Can't Take It

Words and Music by Robin Zander
Well I saw you today and realized
How I missed my peace of mind
I feel your breath in my ear
But late at night it's you I always think about
That little girl inside of you I once knew
I should have known better
Still the smell of you was on my face
But you were too busy
To notice me last night
Now I can't take it alone
I can't make it alone
I can't take it
I can't make it alone
Oh no, oo, oh no
Then I tell myself I'll put you down
Don't wanna see your face around
Don't call me up anymore
When I hear your voice it's in my ear
You're kissin' on the phone
It makes it all come clear
Now I can't take it alone
I can't make it alone
I can't take it
I can't make it alone
Oh no, oh, oh no
I try to tell myself
Don't need you anymore
Don't want you hangin' around my door, oh no
Now I can't take it alone
I can't make it alone
I can't take it alone
I can't make it alone
I can't take it alone
I can't make it alone
If it's wrong or right
I can't take it, I can't make it alone
You know how I tried
I can't take it, I can't make it alone
I try tell myself don't need you anymore
I can't take it alone, I can't make it alone
Oh baby, my pretty baby
I can't take it alone, I can't make it alone
