

Cheap Trick, If I Could

If I could then I would
But I can't so I ask
'Cuz I really wasn't ready for you
If I knew what you knew
Shouldn't do what I do
'Cuz I really wasn't ready for you
I wasn't ready to say goodbye
But goodbye was ready for me
Least I'll never have to see you cry
'Cuz cryin' is over for me
If I am what I am
And it's all that I can
I mighta had some pity for you
What I choose, what I ooze
What I bet, win or lose
But I'd still be waitin' on you
I wasn't ready to say goodbye
But goodbye was ready for me
Least you'll never have to see me cry
'Cuz cryin' is over for me
Who's cryin' now?
Who's cryin' now?
Who's cryin' now?
As I go around the world
And I stop in the whirl
As I whirlwind the world with you
If I could then I would
But I can't so I ask
'Cuz I really wasn't ready for you
I wasn't ready to say goodbye
But goodbye was ready for me
Least you'll never have to see me cry
'Cuz cryin' is over for me
Who's cryin' now?
Who's cryin' now?
Who's cryin' now?...
