

Cheap Trick, Invaders Of The Heart

Words and Music by Rick Nielsen

(It's rolling)

(Oh, wrong song)

(It's rolling)

Invaders of the heart

Are messin' with my mind

Invaders of the heart

Can make your heart blind

Invaders of the heart

Are drivin' me insane

Invaders of the heart

Are playin' with my brain

I can't see anymore

Now I've gotten tunnel vision

I can't be anyone

I just got no direction

I can't see anything

But I don't need glasses on

I can't think anymore

I'm just a nervous wreck

Invaders of the heart

Are messin' with my mind

Invaders of the heart

Can make your heart blind

Invaders of the heart

Are drivin' me insane

Invaders of the heart

Are playin' with my brain

I can't see anymore

Always buckle under pressure

I can't be anyone

The slightest thing will set me off

I can't feel anything

I'm on pins and I'm on needles

I can't think anymore

I've lost my appetite

Invaders of the heart

Are messin' with my mind

Invaders of the heart

Can make your heart blind

Invaders of the heart

Are drivin' me insane

Invaders of the heart

Are playin' with my brain

(Take it, Rick: 1, 2 ,3, 4, 5, 6 ,7 ,8 ,9 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26)

Invaders of the heart

Are messin' with my mind

Invaders of the heart

Can make your heart blind

Invaders of the heart

Are playin' with my brain

Invaders of the heart

Are drivin' me insane

Are messin' with my mind

Make your heart blind

Invaders of the heart

(One more time!)

(Okay, choice of lousy endings now.)
