

# Cheap Trick, Mighty Wings

Its just a ball of dust underneath my feet  
It rolls around the sun, doesn't mean that much to me  
Take a chance on the edge of life just like all the rest  
I look inside to dig it out cuz theres no points for second best  
Chorus:

There's a raging fire in my heart tonight  
Growing higher and higher in my soul  
There's a raging fire in the sky tonight  
I wanna ride on the silver dome far into the night  
Till I make you take me out on your mighty wings  
Make you take me out on your mighty wings across the sky  
Take me on your mighty wings  
Take me on your mighty wings tonight  
With a little luck, a little cold blue steel  
I cut the night like a razer blade  
Till I feel the way I wanna feel  
There's a raging fire in my heart tonight  
Growing higher and higher in my soul  
There's a raging fire in the sky tonight  
I wanna ride on the silver dome far into the night  
Oh I wanna make you take me on your mighty wings  
Make you take me on your mighty wings across the sky  
Take me on out on your mighty wings  
Take me on your mighty wings tonight  
On your mighty wings  
Make you take me on your mighty wings across the sky
