

# Cheap Trick, Oh, Candy (Single Version)

Oh, Candy, why did you do it?  
You should've called me on the telephone  
I didn't expect for you to call me  
'Cause I didn't think that you were alone  
So alone  
Oh, Candy worked so hard  
At doing what he thought was right  
It really, really doesn't mean a thing  
Oh, Candy worked so hard  
At doing what he thought was right  
It really, really doesn't mean a thing  
Oh, Candy why did you do it?  
You didn't stick a needle in your vein  
You just got so damned depressed  
We all liked you except yourself

Oh, Candy worked so hard  
At doing what he thought was right  
It really, really doesn't mean a thing  
Oh, Candy worked so hard  
At doing what he thought was right  
It really, really doesn't mean a thing  
You, you won't be coming around no more  
You, you won't be coming  
You won't be coming, you won't be coming  
You won't be coming around no more  
You, you won't be coming around no more  
Oh, Candy, why did you do it?  
I didn't think you heard a word that I said
