

# Cheap Trick, Takin' Me Back

You're takin' me back  
I remember it well  
You're takin' me back  
It's so easy to tell  
You're takin' me back  
I remember it well  
You're takin' me back  
A long, long, long time ago  
A long, long, long time ago  
You, you let me down  
You didn't think of me  
I, I won't forget  
What you did to me  
You were nice not to say it  
Now my heart is'nt breakin'  
You're takin' me back  
I remember it well  
You're takin' me back  
A long, long, long time ago  
A long, long, long time ago  
You, you thought that  
You could make a fool of me  
Don't, don't be so sure  
That the fool was me
