

# Cheap Trick, World's Greatest Lover

Words and Music by Rick Nielsen

You're the world's greatest lover in my world

You're the world's greatest lover in my world

In my heart, in my world

There is no one else

In the whole wide world

Yeah yeah yeah yeah

As I sit and write this letter

And think of home

As I sit and write this letter

And think of home

In my heart, in my world

There is music that I've never heard

Yeah yeah yeah yeah

In my world, in my world

Like I've never heard in my world

I ain't a poet, baby, I'm a man

I'm comin' home darlin', fast as I can

I ain't a poet, baby

I'm just a man that loves you

I love you

You're the world's greatest lover in my world

You're the world's greatest lover in my world

In my heart, in my world

There is music that I've never heard

Yeah yeah yeah yeah

In my world, in my world

Like I've never heard in my world

In my world

I'm comin' home darlin', darlin'
