

Cheap Trick, You're All I Wanna Do

I jus want to see
What it's like to be
Caught in your eyes
I wish you'd talk to me
I'm not cut out to be the one lonely child
I always wanted a youger sister
One who'd always be drawn to me
I'm going crazy tonight
I'm going crazy tonight
'Cos you're all I wanna do anytime
Baby you're all I wana do
With my time
Baby you're all I wanna do anytime
Baby you're all I want
You're all I really wanna do
When you stay next to me
It's not so hard to see
What's burning my eyes
It's always hard to see
When you're cut out be the one lonely child
I look at you and your younger sister
There's always something that smile on you
I know you're crazy tonight
I know you're crazy tonight
Do you in the morning
Do you up right
Don't want to stop
'Til the middle of the night
Every single minute
Baby while I'm thinking of you
(Anytime) I've got a thing about you
(Anytime) I can't live without you
Why why why why
Baby baby baby you're all I need
Maybe baby baby I'll be thinking of you
'Cos you're all I wanna do
You're all I wanna do
You're all I wanna do
You're all I wanna do
You're all I wanna do
