

Cheech & Chong, Elmo Pimp Song

Sunny day chasing our cares away and making sure we stay the hell out of Elmo's way, cuz hes on

(chorus)

Elmo pimps hos

Elmo pimps hos

Elmo pimps hos

and he'll pimp you too.

Unlike Snuffulumpus, Elmo maked the bitches huff and puff on his nuts

cuz its like that,

hes a pimp from sesame street, fuck with Elmo and you might get beat

like Cookie Monster got beat

cuz he was playing cards with Elmo and he tried to cheat

But Elmo saw him trying to cheat

so he got out his seat, whipped out his meat and gave Cookie Monster a treat

now that blue bitch is missing a few teeth

now how many cookies can he eat?

none motha fucker cuz he got busted in the motha fucking mouth YEAH!

chorus

Big Bird Big bird better check what you heard

I hear Big Bird wasn't down with the nerd

I told Elmo about that shit

Elmo made Big Bird suck his dick.

Then he hit him in the beak and said you weak you weak.

The Elmo said hey Big Bird get the fuck out the kitchen if you can't stand the heat

Cuz I'm the motha fuckin pimp of sesame street!

chours

motha fucker...yea
