

Cheetah Girl, I Wanna Know You Like That

Kiely:

Hey Boy when you look at me. That way I can hardly breath I know your smile, like the back of my

Adrienne:

Close enough to touch, but still so far away. You probably never knew, I felt this way.

All:

I wanna be the first thing on your mind in the morning, The one who knows it's you when you're call

Adrienne:

I've been waiting, for so long and... What I'm feeling, is so strong Don't leave me here. On the edge

Sabrina:

I tried to show you how I feel, but the words got in the way. Still I gotta let you know, what I'm trying

All:

I wanna be the first thing on your mind in the morning, The one who knows it's you when you're call

Adrienne:

I'll hold you down when times get rough Teach you all about my love Cause half your heart just ain

All:

I wanna be the first thing on your mind in the morning, The one who knows it's you when you're call

All:

Ooh I wanna know what's up with you I wanna be the one to turning to, I wanna have you back

Boy, I wanna know you like that. (repeat)

Adrienne:

I wanna know you like that....that that
