The sun is shining nothing's in my way

Now is the time to unwind
Tonight I'm on a mission

Pre-Chorus
So if you feelin' it too well come on
Do what you've got to do (can't you hear that they're playin our song)
All you need is you (don't be shy get on the floor)

Chorus
I'm breakin loose tonight
I'm in the mood to get crazy
And the night is young it's time to play (it's time to play)
We're steppin' out tonight
Can't tell me what to do no way (no way)
'Cuz all I need is all in me
