Cinderella (the right one)

When I was just a little girl

My momma used to tuck me in to bed

And she'd read me a story

It always was about a princess

In distress and how a guy would save her

And end up with the glory

I'd lie in bed and think about the person that I wanted to be

That is when i realized

That fairy tale life

Wasn't me

ooohh

Chorus:

I don't wanna be like Cinderella

Sittin in a dark cold dusty cellar

Wait'in for somebody

To come and set me free

I don't wanna be the one who's waiting

for a handsome prince to come and save me

On a horse of white

Unless we're riding side by side

Don't wanna be..

No, No, No, No, NO!!

I rather rescue myself!

I can slay

my own dragons

I can dream my dreams(my own dreams)

My knight in shining armour

Is me....

SO I AM GONNA SET ME FREE!

Chorus:(fading)

I don't wanna be like Cinderella

Sittin in a dark cold dusty cellar

Wait'in for somebody

To come and set me free

I don't wanna be the one who's waiting

for a handsome prince to come and save me

On a horse of white

Unless we're riding side by side
