

Cheetah Girls, Do No Wrong

Intro-(Keily)

My baby's fresh and he can do no wrong
He tells me im the best and tells the haters be gone
If you don't already know let me put you on
My baby's so fresh and he can do no wrong

Verse-(Keily)

There ain't no doubt about it my baby can do no wrong
They think i'm mad about it i'm not i just play along
Say what you want to i'm convinced that he can do no wrong
I stop the world and tell them my baby can do no wrong

Pre-chorus(Sabrina)

Lookin' at us everywhere we go
People starin' like can they roll
How we do it they just don't know
I can tell they'll never get it
Lookin at him he's so Sincere
Whisperin' nothin's up in my ear
They tell me leave him but i don't care
My baby can do no wrong

Chorus 2x-(Adrienne)

Tell the operator there's a problem problem problem
They say my baby's lying i ain't caught'em caught'em caught'em
Cause nothing in this world could

Nothing that i heard should
Change the way i feel because i got him

Verse 2-(Adrienne)

People they talk because their jealous of how tight we are
They see us everywhere we ride a round in fancy cars
Say what you want to cause i don't believe em'
Cause sometimes love don't have a rhyme or reason
I know they think its madness and they think that i should leave
Cause every time i see his smile he puts my heart at ease
So when they try to give advice and tell me what to do
Just keep on talkin' now that i ain't even hearing you

Pre-Chorus(Sabrina)

Chorus 2x-(Adrienne)

Hey Hey Hey Hey Hey
Hey Hey Hey Hey Hey

(Keily)

My baby's fresh and he can do no wrong
He tells me i'm the best and tells the haters be gone
If you don't already know let me put you on
My baby's so fresh and he can do no wrong

Chorus 2x-(Adrienne)
