

Cheetah Girls, Five More Days 'Til Christmas

[Verse 1:]

There's only five more days 'til christmas
You know that I can hardly wait
We got the lights up on the tree now
And we're ready for the holiday

[Verse 2:]

The radio's playing all the christmas songs
Just the way that we like
There's only five more days
And I can't wait
It's almost christmas time

[Chorus:]

There's 5, 4, 3, 2, 1 more days
All around the world
You know there's 5, 4, 3, 2, 1 more days
For every boy and girl

[Verse 3:]

Five more nights for Santa
To get ready for Christmas Eve
And you tell me that you got me something
But I'm gonna have to wait and see

[Verse 4:]

Everybody get a little closer now
You know we're gonna do it right
There's only five more days and I can't wait

It's almost christmas time

[Chorus:]

[Bridge:]

Everybody ready for their favorite holiday
All around, counting down
You know there's only five more days

[Verse 5:]

The radio's playing all the christmas songs
Just the way that we like
There's only one more week and I can't wait
It's almost christmas time

[Chorus:]

There's five more days, five more days
Been waiting so long for this
Then four more days, four more days
Gonna get my christmas wish
Now it's three more days, three more days
'til the best time of the year
Everybody say, two more days, one more day
And now Christmas is finally here

I've been waiting for a long, long time
And christmas is finally here
