

# Cheetah Girls, Girl Power

chorus:

throw your hands up if you know that your a star  
you better stand up if you know just who you are  
never give up, never stay down  
girl power, girl power

throw your hands up if you know that your a star  
you better stand up if you know jsut who you are  
never give up cause you've come too far  
girl power, girl power

i've made mistakes before  
but I know I'm not perfect  
but it's okay cause who could ever be

as long as i give my best  
it won't mttter what no one says  
cause deep down in my heart  
i got the power to make it all happen  
YEAH!!!

And times i may just feel  
like my back is to the wall  
i hold my head up high  
keep standin tall

i know that my back is covered  
because we have each other  
and we're down for whatever  
if you hear me  
THROW YOUR HAND UP!!!

chorus:

throw your hands up if you know that your a star  
you better stand up if you know just who you are  
never give up, never say die  
girl power, girl power

throw your hands up if you know that your a star  
you better stand up if you know jsut who you are  
never give up cause you've come too far  
girl power, girl power

sometimes love may get you down  
but you better hold your ground  
con't nobody live your life  
but you stay true to who you are  
and always follow your heart  
your heart, your heart.....

chorus:

throw your hands up if you know that your a star  
you better stand up if you know jsut who you are  
never give up cause you've come too far  
girl power, girl power
