

Cheetah Girls, So Bring It On

You do your best to write off my name try to control me now that's gonna change if you look closer

I'll squeeze you, unease you, I'll freeze you, alarm you, disarm you, I'll charm you, I'll block you, un-

You wanna fight we'll do it my way

So bring it on

I'll have you wrapped up around my finger

So bring it on

When I start wearing you thin you'll know for sure

I don't wanna get dangerous

Put down your fists it's over with

So listen up cuz'you ain't messin' with me anymore

My invitation is not just a game I gotta show you that I can't be claimed I've got the power to turn th

I'll squeeze you, unease you, I'll freeze you, alarm you, disarm you, I'll charm you, I'll block you, un-

If you wanna fight we'll do it my way

So bring it on

I'll have you wrapped up around my finger

So bring it on

When I start wearing you thin you'll know for sure

I don't wanna get dangerous

Put down your fists it's over with

So bring it on

I'll have you wrapped up around my finger

So bring it on

When I start wearing you thin you'll know for sure

I don't wanna get dangerous

Put down your fists it's over with

I won't loose sleep tonight 'cuz I got what I need inside It's time you see the light so spotlight shine

I'll squeeze you, unease you, I'll freeze you, alarm you, disarm you, I'll charm you, I'll block you, un-

If you wanna fight then we'll do it my way

So bring it on

I'll have you wrapped up around my finger

So bring it on

When I start wearing you thin you'll know for sure

I don't wanna get dangerous

Put down your fists it's over with

So bring it on

I'll have you wrapped up around my finger

So bring it on

When I start wearing you thin you'll know for sure

I don't wanna get dangerous

Put down your fists it's over with

So listen up 'cuz you ain't messin with me-
