Cheetah Girls, Someday My Prince Will Come

Someday my prince will come Someday I'll find my love And how thrilling That moment will be When the prince Of my dreams comes to me He'll whisper I love you And steal a kiss or two Though he's far away I'll find my love someday Someday When my dreams come true Someday I'll find my love Someone to call my own And I know At the moment we meat Or my heart will start Skipping the beats Someday we'll say and do Things we've been longing to Though she's far away I'll find my love someday Someday When my dreams come true Someday my prince will come Someday we'll meet again And away To his castle we'll go To be happy forever I know Someday when spring is here We'll find our love anew And the birds will sing And weddingbells will ring Someday When my dreams come true
