

Cheetah Girls, Together We Can

We can do anything
Just you and me babe
Wait and see

Hold on
Sit tight
Are you ready for a crazy ride?
You're on you're own
It ain't right
Something's gotta give tonight

So if you wanna run
Run and disappear

You and I can bust our way
Right out of here

Together we can
Shoot the moon
Stop the rain
Even ride a hurricane
If we wanna

Together we can
Walk in space
Save the human race
Do ya think we oughta we oughta?

Together we can

Shoot the moon
Stop the rain
Even ride a hurricane
If we wanna wanna

Walk in space
Save the human race
Do ya think we oughta oughta

Together We Can!!
