

Cheez, Alphabet Soup

Hurry up let's go
Real soon, real fast
We have to hurry
Let's go right now

Run to the station
Jogg to the train
It's time to leave
This town forever behind

All our memory's gone
Our great big house
The friends we had
Are gone for good

C is for change
Its coming now
We're moving away
What a big change, WOW!

H is for house
Our house we left behind
Our new house we'll have
It'll be a lovely place

E is for excitement
It'll be exciting
To discover the place
Oh, what fun!

Z is for Zoo
The place animals live
I couldn't think of anything else for z,
So zoo it is

Lets go!(train in background)
