

# Cheez, Dead To Me

"Don't you know  
You're not returning my calls  
You won't answer my mail  
What's with you now?  
(I guess it's over.)

Chorus:  
Now you're dead to me  
Stop trying to talk  
I won't answer  
You should have figured it out by now  
Just leave me alone

Why can't you understand?  
I don't want to talk to you  
So get off my back  
I'm not interested anymore

{chorus x2}
