

Cheez, Second In Place

You cant always be the best
Just try your hardest
Try your full
If you don't win, second place is fine...

Not!!!

Go farther than you can
Go more than your full
Try harder than you can
Try better than your best

Don't ever give up
Just keep on moving
Get motivation
And keep on going

Do the best you can
Your best is enough
Don't push too hard
Second place is fine...

Not!

(chorus)

So just keep going on
And never stop
Don't run away
From all your fears

I'm trying my best
But it just dosen't seem
to be working...

Get first place
