

# Cheez, The Never Ending Song

So this song (echoes)  
Goes on and on(echoes)  
As my life(echoes)  
Does just the same(echoes)

We all move on(echoes)  
We all continue(echoes)  
In our lives (echoes)  
Just like this  
Never Ending (repeat line 3x) song!

'Cause it goes on  
It's just begining  
There is no end  
To this Never Ending (3x) song!

We all seek (echoes)  
The same things(echoes)  
Imortality and dreams come true  
But they are(echoes)  
Infront of us(echoes)  
We've seen them all along(echoes)  
It's just like this:  
Never ending (5x) song!

(repeat all)
