

# Cheezburger Mafia, Maybe

We wrote this song and figured what the hell.  
Maybe one day it'll be on TRL.

Maybe we'll be on top with Britney Spears  
Or maybe with all those fucking boy band queers.  
And maybe we'll perform this live right in Times Square  
Or maybe little girls will fight for a lock of our hair.  
Just maybe'

But there's no chance! We fucking suck!  
As for TRL, we're out of luck!  
Fuck your vote of the entire nation,  
Fuck you Carson, and the MTV station.

Maybe they'll ask us to join Backstreet Boys  
Or maybe there'll be Cheezburger Mafia action toys.  
And maybe we'll go cross country on stadium tours  
Or maybe we'll win 5, 6, 7 Video Music Awards.  
Just maybe'

But there's no chance! We fucking suck!  
As for TRL, we're out of luck!  
Fuck your vote of the entire nation,  
Fuck you Carson, and the MTV station.

And maybe'  
Just maybe'
