Dumb@\$\$
DUMB@\$\$

You Know im alive
but you'd laugh if i cried
and you dont care how i feel inside
you make me wanna run away and hide
I still cant get you out of my mind
no matter how hard i try
i still cant get you into my heart
and your words are tearing me apart
and my dreams were shattered way too fast

Im in love way too bad
and when you break my heart again its just sad
sad how i keep fallin for you
the DUMB@\$\$ who makes me crazy what can i do
and now im filled with doubt
cuz the dumb@\$\$ cant figure it out
im more than what he sees
i may even be the girl of his dreams
but this DUMB@\$\$ is too cool to be
The first guy to fall in love with me
[Chorus]:Repeat
FELL IN LOVE WITH A DUMB@\$\$
AND MY DREAMS WERE SHATTERD WAY TOO FAST
NO MATTER HOW MUCH I WISH INSIDE
THE DUMB@\$\$ WILL NEVER BE MINE
[Chorus]:repeat
