

# Chely Wright, He's A Good Ole Boy

To steal him's been your number one ambition  
But sister here's one safe that you don't have to crack  
I'll hand him over under one condition  
A deal's a deal and you can't give him back

Cause he's a good ole boy  
Good for nothing  
Good at lying, good at loving  
Good at leaving  
When the rent comes due  
He's a good ole boy and I'm a good ole girl  
So I'll give him to you

Go ahead and take him with my blessing  
He might even let you be his Sunday girl  
If your not used to worrying and guessing  
He'll soon shake up your cozy little world

Cause he's a good ole boy  
Good for nothing  
Good at lying, good at loving  
Good at leaving  
When the rent comes due  
He's a good ole boy and I'm a good ole girl  
So I'll give him to you

Cause he's a good ole boy  
Good for nothing  
Good at lying, good at loving  
Good at leaving  
When the rent comes due  
He's a good ole boy and I'm a good ole girl  
So I'll give him to you

He's a good ole boy and I'm a good ole girl  
And I'll hive him to you
