

Chely Wright, Sea Of Cowboy Hats

I've been out here seven dances in a row
Yeah, the band's so hot they won't play nothin' slow
Stetsons and Wrangler jeans are floodin' through the door
And it's sink or swim as soon as you hit the floor
I'm dancin' in a sea of cowboy hats
Shoulder to shoulder and back to back
Two steppin' fools as far as the eye can see
They're ridin' the wave on that sawdust floor
Rockin' the boat from shore to shore
So jump right in 'cause this is where it's at
In the sea of cowboy hats, yeah
Feel free to scrape your boots 'til they've worn holes
You won't get too far in here with rubber soles
Yeah the place is packed and we're puttin' on a show
In over our heads and caught up in the flow
Yeah, I'm dancin' in a sea of cowboy hats
Shoulder to shoulder and back to back
Two steppin' fools as far as the eye can see
They're ridin' the wave on that sawdust floor
Rockin' the boat from shore to shore
So jump right in 'cause this is where it's at
In the sea of cowboy hats
I'm dancin' in a sea of cowboy hats
Shoulder to shoulder and back to back
Two steppin' fools as far as the eye can see
They're ridin' the wave on that sawdust floor
Rockin' the boat from shore to shore
So jump right in 'cause this is where it's
At in the sea of cowboy hats
