

Chely Wright, Wouldn't It Be Cool

Wouldn't it be cool if all the supermodels tried to look like me
And wouldn't it be cool if someone's character was something you could see
Wouldn't it be cool if I could fly
Get a new perspective from the sky
Ooo wouldn't it be cool

Wouldn't it be cool if I could do long division in my head
Wouldn't it be cool if I didn't have to edit what I said
Wouldn't it be cool if life was fair
When someone says, "I love you" they will always be there

[Chorus:]

If one day you beg and plead for me to take you back
I would be so unaffected I would simply laugh and laugh
Wouldn't it be cool... cool

Wouldn't it be cool if I could catch you at a restaurant with her
And wouldn't it be cool if I was strong enough to muster up the nerve
To tell her all the secrets that we had
Just to see you squirm and feel as bad as I do
Wouldn't it be cool

[Chorus]
