Dig Your Own Hole  
Setting Sun

You're the devil in me i brought in from the cold  
You said your body was young but your mind was very old  
You're coming on strong and i like the way  
The visions we had have faded away  
You're part of a life i've never had  
I'll tell you that it's just too bad  
(x5)  
You're coming on strong  
You're showing your colour  
Like a setting sun
