

Chenelle, Hurry Up

Your Talking
Your Talking So Much I Don't Believe What You Say
If It's Me, Hurry Up
What It Be, Hurry Up
I Been Waiting For You All Night Just To Please
Tear It Up
If Its Really The Rhythm Just Let Me See
And By The Way I Like Em Bigger Than Boys
Don't Dissapoint Me

All I Feel Is Warm Sensations
And Your Conversation
Just Can't Get Me Babe
Didn't I Tell You Time Was Tickin
[Chorus]
Now All My Girls Know We Liked Up Ripped Up
If It Doesn't Hurt If He's Chipped Up
You Got A Little Bit Off Both Of Them But Listen
You Didn't Like Hurry I Told You So You Gets None
We Like Em Ripped, We Like Em Ripped, We Like Em Ripped All Up
We Like Em Chipped, We Like Em Chipped, We Like Em Chipped All Up
[?], But You Weren't Listening
Is There Any Boys Around Here Who Can Spitfire
[Chorus]
All I Feel Is Warm Sensations
And Your Conversation
