

Chenoa, What My Heart Wants To Say (Duet With Gareth Gates)

Gareth: You're amazing, so amazing
Have I told you enough?
You're my angel, my guardian angel
God knows I, I've been blessed with love

Chenoa: But if I'll be gone tomorrow
Would you know how deep my love goes?
Have I ever told you, you're the one?

CHORUS (Both)

If the words don't come my way
I hope you still know, I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say

Chenoa: A love so tender, I surrender to this
feeling so true

Gareth: My affirmation

Chenoa: My inspiration

Both: Darling I, I've been blessed with you

CHORUS (Both)

But if I'll be gone tomorrow
Would you know how deep my love goes?
If I was gone forever would you know how much I care?
That you make me feel like flying
That I'm sailing on your ocean
That every time you look at me
You see it in my eyes

If the words don't come my way
I hope you still know (I hope it still shows)
If the words don't come my way
I hope you still know
I hope it still shows
If the words don't come my way
I hope you still know what my heart wants to say

If the words don't come my way
I hope you still know
I hope it still shows (I hope it still shows)
If the words don't come my way
I hope you still know (Ooh yeah)
I hope it still shows (I hope it still shows)
I hope you still know what my heart wants to say
