

Chenoa, Why You Doin' Like That

See, i've been through this before
Had about enough, no more
You think i don't know, but i know
All my friends been tellin me so

Who you're with, where you go, what you do
When you're not with me
And it's not like i'm gonna sit around
Watin' patiently

Why, oh why you wanna do like that?
Don't you see it's not the level i'm at
I told you once, not gonna tell you again
Quit playin' games with me
Why you doin' like that?

Late at night you've been makin' those calls
What is that about? Don't you care at all?
Don't come here tellin' me lies
The truth is out, it's no surprise

Who you're with, where you go, what you do
When you're not with me
And it's not like i'm gonna sit around
Watin' patiently

Why, oh why you wanna do like that?
Don't you see it's not the level i'm at
I told you once, not gonna tell you again
Quit playin' games with me
Why you doin' like that?

Oh, it's way out of control
Oh, it's time to let you go

Why, oh why you wanna do like that?
Don't you see it's not the level i'm at
I told you once, not gonna tell you again
Quit playin' games with me
Why you doin' like that?
