

# Cher, A Different Kind Of Love Song - (Rodney Jerkins)

What if the world was crazy  
And I was sane  
Would it be so strange  
Cause I can't believe  
That I am alone in saying  
The things I'm saying  
I am part of you  
There are universal truths  
We're all part of the light  
That flows through everything

[Chorus:]

This is a different kind of love song  
Dedicated to anyone  
Different kind of love song-oh, oh  
This is a different kind of love song  
A higher plane we can flow on  
Different kind of love song-oh, oh

What if the world calmed down  
And we could all breathe together easier  
Connecting the sky and the ground  
With you and me and everything in between  
I am part of you  
We have living proof  
There is some kind of light  
That flows through everything

[Chorus]
