Cher, A World Without Heroes

A world without heroes Is like a world without sun You can't look up to anyone Without heroes And a world without heroes Is like a never ending race Is like a time without a place A pointless thing Devoid of grace Where you don't know what you'r after Or if something's after you And you don't know why You don't know In a world without heroes In a world without dreams Things are no more that they seem A world without heroes Is like a bird without wings Or a bell that never rings Just a sad and useless thing Where you don't know what you're after Or if something's after you And you don't know why You don't know
