

# Cher, After All (Love Theme From Chances Are)

Duet with Peter Cetera

Well, here we are again

I guess it must be fate

We've tried it on our own

But deep inside we've known

We'd be back to set things straight

I still remember when

Your kiss was so brand new

Every memory repeats

Every step I take retreats

Every journey always brings me back to you

chorus:

After all the stops and starts

We keep coming back to these two hearts

Two angels who've been rescued from the fall

After all that we've been through

It all comes down to me and you

I guess it's meant to be

Forever you and me

After all

When love is truly right

It lives from year to year

It changes as it goes

And on the way it grows

But it never disappears

Chorus

Bridge

Always just beyond my touch

You know I needed you so much

After all, what else is living for?

Chorus
