Cher, All Or Nothing

I've been standing out in the rain I've been calling your name Got that lonely feeling again Calling out your name Do you hear me? Do you want me?

Baby it's all or nothing now I don't want to run And I can't walk out You're breaking my heart If you leave me now Don't wanna wait for ever Who do you think you're fooling Who do you think you're fooling Baby it's all or nothing Baby it's all or nothing now

I've been trying to get to your heart But I'm chasing shadows We keep falling further apart So near and you're so far Do you care now? Do you know how?

Baby it's all or nothing now I don't want to run and I can't walk out Breaking my heart if you leave me now Don't want to wait forever Who do you think you're fooling Who do you think you're fooling Baby it's all or nothing Baby it's all or nothing now

[Talking]
Sometimes when you touch me
I just can't help myself
Desire makes me weak
Desire makes me weak
Do you care now? Do you know how?
