Cher, Bang Bang (My Baby Shot Me Down)

[Chorus:]

Bang Bang, you shot me down Bang Bang, I hit the ground Bang Bang, that awful sound Bang Bang, my baby shot me down

I was five and you were six We rode on horses made of sticks I wore black, you wore white You'd would always win the fight

[Chorus]

Seasons came and changed the time I grew up I called you mine You would always laugh and say Remember when we used to play

[Chorus]

Music played and people sang Just for me the church bells rang After echoes form a gun We both vowed that we'd be one

Now you're gone I don't know why Sometimes I cry You didn't say goodbye You didn't take the time to lie

[Chorus]

You shot me right between the eyes You meant to paralyze Bang, bang, bang, bang Oh oh baby, I'm laying on the ground I ain't never going down Bang, bang oh baby, oh baby Come on back to me You'll see how sweet it's gonna be Bang, Bang
