

Cher, Bell Bottom Blues

Bell bottom blues you made me cry
And I don't want to lose this feeling
And if I could choose a place to die
Oh, it would be in your arms

[Chorus:]

Do you want to see me crawl
Across the floor to you (do ya wanna)
And do you want to hear me
Beg you to take me back
I'm beggin' baby
Cause I don't want to fade away
Give me one more day,
Please I don't want to fade away
I don't want to fade away
In your arms I wanna stay

It's all wrong but it's all right
The way that you do me, baby
Once I was strong, but I lost the fight
Whoa, and you won't find a better loser

[Chorus]

Bell bottom blues don't you say goodbye
Sure we're gonna meet again
And if we, when you do
Don't you be surprised
If you find me with another lover

[Chorus]

Won't you
Won't you give me one more day, please
