Cher, Fire And Rain

Just yesterday morning they let me know you were gone Susan the plans they made put an end to you I walked out this morning and I wrote down this song I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus You've got to help me make a stand You've just got to see me through another day My body's aching and my time is at hand And I won't make it any other way

Oh, I've seen fire and I've seen rain I've seen sunny days that I thought would never end I've seen lonely times when I could not find a friend But I always thought that I'd see you again

Been walking my mind to an easy time my back turned towards the sun Lord knows when the cold wind blows it'll turn you head around Well, there's hours of time on the telephone line to talk about things to come Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you, baby, one more time again, now
Thought I'd see you one more time again
