

Cher, Give Our Love A Fighting Chance

So you wanna throw our love away
So you think we ought-a say goodbye
And you tell me we've run out-a time
Can't make a heart, stop on a dime
You could always walk away
Like you never saw my face
If you wanted to
You could tell yourself a lie
Say this love ain't worth a try
But you know isn't true
Your heart is tellin' you

Chorus:

Whoa...we gotta take a stand
Give our love a fightin' chance
We can talk it over baby
Woman to man

Give our love a fightin' chance
A fightin' chance

So you think you'll wish it all away
Click your heels and leave it all behind
But you don't know that in the real world
You gotta fight to keep love alive
There's a battle to be won
And if both our hearts are strong
We can make it through
So don't turn your back and run
'cause your heart's under the gun
It's a case of do or die
Break down the walls of pride

Chorus
