

# Cher, I Believe

I believe for every drop of rain that falls  
A flower grows  
I believe somewhere in the darkest night  
A candle glows  
I believe for everyone that goes astray  
Someone will come to show the way  
I believe, oh I believe

I believe above the storms  
The smallest prayer will be heard  
I believe someone in the great somewhere  
Hears every word  
Every time I hear a new born baby cry  
Or touch the leaves or when I see the sky  
Then I know why

I believe, I believe  
I believe, I believe  
I believe in the man  
I believe in the man  
I believe in the man  
I believe in the man

Touch a baby and see it smile  
And pick a flower and I wonder why  
Just look at the sun up in the sky  
And then  
I believe in the man  
Got to believe in the man  
I believe in the man  
Got to believe in the man  
I believe in the man  
Got to believe in the man

He gave me everything I got today  
And he gave me a baby  
Made me bless the day  
He gave me a man  
That loves me more than I ever knew  
I could love before  
Yes I

I believe in the man  
Got to believe in the man  
I believe in the man  
Got to believe in the man  
I believe in the man  
Got to believe in the man  
I believe in the man  
Got to believe in the man

I believe in the man  
I believe in the man  
I believe, I believe
