

Cher, I Know (You Don't Love Me)

I know you don't love me no more
No more ah no more
I don't wanna be hurt any anymore no no more
Ain't no use in me cryin now
Everything I did, you put me down
I don't want you no more baby
Ain't no use in you hangin round

I know you don't want me no more
No more ah no more
And with someone else
Lovin you more, lovin you more
Ain't no use in me cryin now
If weren't for you I won't be down
Cause you don't want me no more baby
Ain't no use in you hangin round

I know you don't love me no more
No more no no more
I don't wanna be hurt any anymore anymore
I have loved so hard everything I did was no joy
Since I can't love you right baby
I don't have to love you at all

I know you don't love me no more
No more ah no more
I don't wanna be hurt any anymore anymore
I have loved so hard everything I did was no joy
