

# Cher, I Saw A Man And He Danced With His Wife

I was by myself drinkin'  
Chilled lonely wine  
Then he walked in with some woman  
Who's place was once mine  
And she wore his ring on her finger  
And the band began a song  
I'd heard before

[Chorus:]

I saw a man and he danced with his wife  
How I wished he was dancing with me  
'Cause I remember before  
When we danced on this floor  
His eyes were only on me

Where did I go wrong  
They were playin' our song  
While I was cryin' all night long  
I kept watchin' as they dance so divine  
I kept hopin' kept on lookin'  
But I couldn't catch his eye

Oh, then he got up and he saw me  
But he just walked right on by  
And danced with her

[Chorus]

Where did I go wrong  
They were playin' our song  
While I was cryin' all night long

Two weeks later  
I heard a knock on my door  
He's back  
Just like all those good time before  
Ah, then he kissed me  
And he told me  
I left her 'cause I love you,  
So much more than I knew

[Chorus]

I saw a man and he danced with his wife
