

Cher, If I Knew Then

A funny face kid
From down the street
Always very close at hand
He was just a cowboy
I was Lady Grand
But I don't think
I would have shoot him down
If I knew then
What I know now

High school days and puppy love
Learning what it's all about
He was kind of awkward
I was filling out
I don't think
I would have played around
If I knew then
What I know now

Too many years
Too many tears
Too many other things
Too many men
Time and again
I have to test my wing
No time for love's strings
Or wedding ring

A pretty young girl from Baltimore
Got herself a real good man
Once he was a cowboy
Who wanted Lady Grand
And I know that
I would have made that vow
If I knew then
What I know now

Once he was a cowboy
Who wanted Lady Grand
And I know that
I would have made that vow
If I knew then
What I know now
