

# Cher, It's Too Late To Love Me Now

It's too late to say you want me  
But it's too late  
Once my love for you was so great  
It's too late to love me now

It's too bad, you say you need me  
Oh, it's too bad  
And I know the feeling and it's so sad  
It's too late to love me now  
It's too late to love me now

Don't you know how hard I've tried  
To hold out just for you  
Loving you from memory day by day  
Someone came into my life  
And turned my dreams around  
Well he's taking all the love  
You turned away

It's too late to say you want me  
But it's too late  
Once my love for you was so great  
It's too late to love me now

Don't you know how hard I've tried  
To hold out just for you  
Loving you from memory day by day  
Someone came into my life  
And turned my dreams around  
He's taking all the love  
You turned away

It's too bad, you say you need me  
And it's too bad  
I know the feeling and it's so sad  
It's too late to love me now  
It's too late to love me now
