

# Cher Lloyd, I Wish (ft. T.I.)

Ey, ha ha, make a wish girl  
You deserve it.  
Uh-huh, ha, ha, yeah.

Baby, I seen the chick you're with, wish that I never did  
Freaking perfect and five foot ten, just wanna punch your lip  
'Cause I know I've been wasting time trying to get your eye  
Yeah I know that I been so blind thinking that I'm your type

And now I'm at home, I'm all alone  
'Bout to pick up the telephone  
Got to call my genie so he knows, yeah

I wish I was tall, I wish I was fast  
Wish I could shop with a bag full of cash  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)  
I wish I had style, I wish I had flash  
I wish I woke up with a butt and a rack  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)

Baby, I'm gonna keep it real, boy, you're the one I want  
I don't own any five inch heels, just got my Nikes on  
Never thought I was insecure, boy look at what you done  
I don't know what I studied for, clearly you like 'em dumb

And now I'm at home I'm all alone,  
'bout to pick up the telephone  
Got to call my genie so he knows, yeah

I wish I was tall, I wish I was fast  
Wish I could shop with a bag full of cash  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)  
I wish I had style, I wish I had flash  
I wish I woke up with a butt and a rack  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)

[T.I.:]

hey, now don't you wanna do some, baby,  
with the roof gone, baby  
Aston Martin, look retarded like the crew gone crazy  
I'm not sure what kind of fella you like  
But i can give you paradise, have it however you like  
I'm talking solitaire, iced-out, ring, watch, necklace  
Ain't no talking reckless, girl, I'm certified respect it, girl  
yeah, you like to run your mouth well, you're about to learn a lesson, girl  
Yeah, you the one but I'll replace you in a second, girl  
and I ain't even trying to see you naked, girl  
Wait, there I go exaggerate  
clearly carried away  
But what I'm saying you could true that  
I wanna be wherever you at  
See you wishing you could kiss me  
Do you really wanna do that, eh?  
Make a wish, girl

I wish I was tall, I wish I was fast  
Wish I could shop with a bag full of cash  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)  
I wish I had style, I wish I had flash

I wish I woke up with a butt and a rack  
'Cause If I want you, I gotta have that  
(Come, come kiss me boy)

I wish I was tall

'Cause If I want you, I gotta have that  
(Come, come kiss me boy)

I wish I had, I wish I had, I wish I had yeah yeah

'Cause If I want you, I gotta have that  
(Come, come kiss me boy)
