

Cher, Love's A Lonely Place Without You

Love is a lonely place without you
(Love is a lonely place without you...)

I know I'm not alone

I should not be afraid

'Cuz I hear your voice and

I know you're there beside me

And so I give my heart

and live to love again

But I can't let go

of the way I feel about you

Love is a lonely place without you

I miss you

And you're almost here

And I almost touching you

Love is a place I have to hide away

I'll never love this way

Again

If love was ever true

I know It was with you

'Cuz you touched my soul

And you'll stay with me forever

No tears, no sad good byes

there are no reasons why

But I'm holding on, I believe in love

Eternal

Love is a lonely place without you

I miss you

And you're almost here

and i'm almost touching you

Love is a place I have to hide away

I'll never love this way

again

Though I'm moving on

I'm still holding on

holding on

holding on

holding on

Love is a lonely place without you

I miss you

and you are almost here

and im almost touching you

Love is a place I've have to hide away

I'll never love this way

Again...
